

## 2007 WorkBoat Magazine 10 Most Significant Vessels

Harvey Gulf was proud to be recognized on Shipyard Day at the 2007 WorkBoat Show for being one of the owners of the 10 Most Significant Boats of 2007. The award recipients are determined by editors of WorkBoat Magazine, David Krapf, Technical Editor, Bruce Bul, and Senior Editor Ken Hocke, who individually review all of vessels written about in WorkBoat for the year and vote on the top 10 vessels that they consider significant in the industry. The HARVEY SPIRIT and HARVEY SUPPLIER were recognized as Series of vessels among the 10 Most Significant Boats for the year 2007. (Vessels are awarded as a “Series,” rather than individually as a “Vessel,” if they are built as sister vessels.)
