### *An Incident and Injury Free Journey*

Chevron Gulf of Mexico Subsea Surveillance and Intervention Team expresses our sincere appreciation and recognition for outstanding work during the installation of the PN005 well jumper and associated subsea equipment.

*The work ethic and team spirit with all the crews (Marine Crew, Deck Crew, ROV Crew, Catering Crew, Service Technicians) enabled Chevron to accomplish its goal of successfully installing the subsea equipment and achieve an Incident Free Operation.*

*The installation work also involved precise teamwork with the simultaneous operations accomplishment by Harvey Gulf Marine, the Tahiti SPAR and the Drillship Discoverer Inspiration.*

*Everyone who participated in this Incident Free Operation should take much pride in your outstanding accomplishments. The Chevron Gulf of Mexico Surveillance and Intervention Team Members are proud to be a part of YOUR TEAM.*
